“ I was so blessed to have the opportunity to work with Sadie in the preschool classroom at the hospital. I remember all the days of playing with the doll house with Sadie (the dollhouse seemed to be her favorite when she was in preschool). I cherished all her visits when she would come back to see me after she was too old to come to the preschool classroom. She was such a blessing and inspiration. My thoughts and prayers are with your family.

*My heart goes out to each of you during this time and my prayers will be with you. Although I never met Sadie I was told by so many how precious and strong she was. I can't imagine what it's like to lose a child, but I know that God has her cradled in His arms and her suffering is over. Muzzy*
