“ *Dee Dee was my co-emcee for so many years at the spring Follies in Middletown. We would keep each other entertained in between acts backstage with silly songs and jokes, and oh how I loved her quick, contagious laugh. Her passing closes a certain time chapter in my life, but I can't help but smile when I think of her. Prayers of comfort to my friend Eddie and her family. Thank you for sharing her.*

“ *I met Dee Dee 34 years ago when we were both at a turning point in our lives and very much needed a friend to walk through life together. Our friendship started with many tears and quickly turned to much laughter. We learned to laugh at our selves together. We learned to not take life so seriously. And my life quickly turned to joy with Dee Dee and soon Eddie, in it. Dee was my matron of honor when I got married, and there through me having kids. As life got busy, we didn't see each other as often, but when we did, we never missed a beat, being honest, real and full of laughter with each other. I feel as if the world is a bit dimmer with her gone, but I know I will see her again, and boy will we have some laughing to catch up on. Much love to you, Eddie, Jason, Nathan and Brad. You four were what made her heart keep beating. Kate Freeman*

*I will keep DeeDee in my heart. I keep close all our laughter and our deep talks, our shared tears, and then, more laughter. I treasure the years we spent driving to Mid-Hudson in all weather. DeeDee always wanted to drive. She was a driver through life, through other people's stories, and a slow walker when she was with them in their pain. My love to you Eddie, to her sisters, and her sons.*
