“ *She loved her some Jimmy Johnson, #48. And of course I was a Jeff Gordon, #24, fan. So we had a lot of fun teasing each other on race days. You were a beautiful lady Sandy. And I am so blessed to have been able to share a moment of your life with you. Sending love and prayers to Fred and the boys. God bless.*

“ To my beloved Aunt LuLu,
The day God called your name
It broke my heart in two.
But heaven needed and Angel
And the one he picked was you.
You have left warm memories in my heart
And that's where they will always be.
You will always be loved and missed.
If you see Granddaddy and Grandma give them our love and let them
know, we think of them often. Much love Aunt Lulu, Scooter

“ So sorry to hear of the passing of Sandra. She is at peace now, and all of her suffering is now over. She is in a much better place. She was a strong fighter, of this terrible disease, for 31 years and may be one of the longest survivors of A.L.S. We will remember her and the family, in our thoughts and prayers. May God bless, and be with them, through this most difficult time.

A special thanks goes to her care providers, Fred, her sisters, and many friends who assisted in her excellent care. Please extend my thanks to the medical personnel. I believe this care was a factor in extending her life.

She will be surely missed.

“ *Anyone that ever met LuLu knows what a truly phenomenal person she was. Still feisty in her own right, she knew what she wanted and wanted right now. She touched so many people during her life us left here to remember her and the glorious welcoming she received when she arrived in heaven!
Thoughts and Prayers for all of her family and friends*
