“*I got to put a few last smiles on her precious face before God took her to his special place. As I set there and held her hand, I knew God had her in his plan. As I said my goodbyes that day, tears came to both our eyes. She knew and I knew that it would soon be time for her to go, but I wanted her to know we loved her so. She smiled and threw a kiss and with that I knew she was ready to be missed. God bless you momma. I love you and will miss you always.*
