“ *What a treasure was Shannon Armel. She babysat my daughter Kate and she could not have had a more caring, nurturing individual to take care of her. I know she will be missed! With Sympathy, Linda Taliaferro*

“ *Dee, Neil, Jarrod & Matt*

Our sincere condolences and prayers for the whole family. When we moved to the area we were taken in by this great family and Jay became my little brother, Stuart our sister. Always remember the Thanksgiving Dinner with our new family and Shannon's love always shined. She made us feel like part of the family. Now Heaven has another angel.

“ One of my favorite memories of my grandma/nanny was one day she was sitting on the floor watching her favorite tv show America most wanted and I sat on the couch behind her and wrapped my legs around her neck and twisted her on the ground and we started joking my playing as she thought she would win that war lol such great times with her ❤️
