“ *So sorry to see that Sharyn has passed. I would click likes and see her on FB always thinking I would get to meet with her at some point. So sad we often think we have time and than it is gone. You were one of a kind Ms. Sharyn... loved to hear you laugh and see your smile. She babsit my first 2 in 1973/74 - I was at her babyshower and had to go get Robert at the racetrack while Mary P took her to the hospital. She took me out for my; 1st ever steak where a fight broke out (entertainment provided we joked) Although we had not seen each other in the last years she remained close in my heart. Hold fast to the wounderful memories you have of her. Love and prayers to Robert, children and Grandchildren.*
