“*Sherrie was truly a beautiful soul. Her kind and loving Heart will never be forgotten. She was an Overcomer and Larry her husband was a Blessing in her life. I remember the day of that beautiful Wedding! I also remember the many challenges of her life and God’s hand leading her through it. Cherries rest in the arms of Jesus, no more pain, no suffering you are made whole again. Larry, Aaron and Amber my heart aches for you, but I rejoice knowing that Sherrie is safe in the presence of Jesus! RiP sweet Sherrie. In loving Memory, Malissa and Jerry Nalley*

“*We were neighbors of the Fletcher Family for many years and shared so many memories with Ms Sherrie. She was one of a kind, a great lady and friend. Sherrie treated my sons as her own... always looking out for them and the other kids. I loved our Kessler Circle neighborhood days and she is one of the reasons why. God bless the family. To Larry, Amber, and Aaron - the Gibsons miss you and wish we could be in attendance for her ceremony. 🥹 Holler, if yall need us. ❤️*

“ Sherrie was the youngest child born to Earl & Betty Pearl. My name is Blake, and I am her oldest brother. I enlisted in the US Army in 1969, when Sherrie was only 8 years old. During the first full year while Sherrie was growing up I only came home to visit for short periods to see her, and my brother Bryan, and my mom & dad. Then I was sent to Vietnam and later spent my remaining service time at other duty stations until my enlistment was up in 1976. With that said, I saw very little of my sister as she grew up. It was rumored that Sherrie had many challenges as she grew up and became an adult. Sherrie's early adulthood was hard, and she suffered. Sherrie & I did not speak for many years, until around a year ago. She told me about her life, since I last saw her 30 years prior. Sherrie turned her life around, and I regret now that I was not in her life during those better years of her life. Rest In Peace Lil' Sister. I love you!!

“ Sherrie always made me feel at home anytime I got to see her. Always checking in on me and always the biggest most beautiful smile. Because that's the woman she was. She poured love into everything she did and had the kindest soul. I'll always cherish the times I got to spend with her, she made me feel like family. She will be deeply missed and she is so deeply loved.

“ Sherrie and I spent many years around a pool or concert venue. She was my travel and concert buddy. She even left me on an island once and we still managed to remain friends. I'm gonna miss this girl ❤️❤️❤️

“ I remember when Mrs. Sherri came back after her time in jail. I was 13 probably and she was just a nice face to see in the neighborhood. She always had something interesting to gossip about or something she wanted to give. She was just that kind of a giving woman.

“ Sherri is a great lady who when she met an animal she immediately fell in love. All the dogs, cats, squirrels, and many other animals she loved and took care of!! She will be missed by all the animals!!

Of course she also loved her family!! Her husband and kids were always on her mind and in her heart!! Larry spent much time spoiling her and she glowed from it. Her daughter and son were the light from within!!

Love and prayers for all Sherri's family, (who walks on 2 and 4 legs). She will be missed by all.

Love, Marie and Frank, including Tex and Bubba

“ Sherrie was a caretaker of animals and people. Every Easter she would host an egg hunt for the neighborhood kids. Every Halloween she would hand out light sticks. She left peanuts out on her deck for the squirrels. And she watched over houses when people went on vacation. She will be missed.
