“ So sad to hear of Shirley's passing. I just got the news. Many wonderful memories of her from my middle and high school years and visits when I would come to Winchester over the years. Shirley was one of a kind. Always having a comical quip and and made me laugh. Her greeting to me often was "How the hell are ya." Will be in my memorie forever. Tito and Timmy - I know your hearts are broken. Prayers for the family's piece and comfort. Love you guys - always will. Neil Braithwaite

“ Marshall Family, I'm so sorry for your loss. Shirley was a very special lady to many people. She was especially very special to me and my family. My husband always called her "Shirley whirly", because she always seemed to be going a mile a minute. I will always remember all the UDC conventions, conferences, etc. that we attended together. Especially the General Convention in Richmond one year. I don't know how many times we drove by the farmer's market looking for the hotel (that was way before maps on your smart phones). After we finally found it, we weren't able to get out of the car we were laughing so hard. You all are in my thoughts and prayers, take heart in the fact that she lived her life like she wanted and she is now with her Terry. RIP in my friend, truly going to miss you.
