“ *My Granddaddy, Allen Kibler is Shirley's only living sibling. He and my mother, Laurie and aunt, Karen have shared many happy stories of their times with Shirley, Bugs and the kids when they were all younger! Time gets away from us so quickly but I know that my Granddaddy and Shirley had a special live for each other! Our family hopes that your fond memories will help lessen your heavy hearts and send thoughts and prayers to all of you.*

“ I worked with Shirley over 20 years at Capitol Records and Audiopak. She was a caring person and great co worker. I know she will be sadly missed. I have been blessed to have talked with her through Facebook the last month or so. I know she is baking Bugs biscuits in heaven. God rest her soul. I send prayers to her loved ones. Freda Piper
