“ To Teresa, Tina, Tammy, and her sisters, Colleen and Patsy and godson, Mark and all of her family, you can know for sure that Sister Shirley Woods is no longer suffering and is in the presence of her Lord and Savior, Jesus Christ, in Glory.

The Apostle Paul wrote, "to be absent from the body IS to be present with the Lord", and she left no doubts of receiving the Lord as her Savior years ago.

She was like a spiritual Aunt to Janie and I and our family. She had a sense of humor, no matter how much pain she was in, and she lifted my spirit every time I heard from her, or read her comments to me on Facebook, and especially the last time I visited her.

She left a legacy of what a real Christian Saint should be like, even in the suffering that she endured for so long.

I was so impressed the last time I was with her and her family to know that she had gone to Rolling Thunder, the Sunday before to see two of her younger family members receive their Junior RT Patches. I certainly enjoyed my years at Rolling Thunder and it was always a joy to see Tammy and Jessica, who were a great part of the Rolling Thunder family.

We will all miss her humor, and to me her faith in the Lord.

You, as family members, are experiencing something I have not yet experienced and that is the loss of a mother or sister, so we are praying for you all in a special way, that God will comfort you all, knowing that she was a great wife, mother, sister, godmother, grandmother, great grandmother, and friend. She cannot return to hug you one more time or tell you that she loves you...but each one of you can be assured that you can, one day, see her again, as long as you accept that same Lord and Savior, Jesus Christ as your personal Savior.

May God place his loving arms around each one of you and give you comfort that you will need in the coming days, weeks and months.

Aren't you glad that she was in many ways a great part of your lives.

“ To all the families of Shirley by means of her children, i.e Teresa, Tina, Tammy, and her sisters, Colleen and Patsy and godson, Mark.

Although Shirley often told me that she expected this event because of her bad health, our loss is still felt. I have always appreciated Shirley for her wonderful sense of humor. She was an extremely caring person.

So, may the 'God of all comfort...comfort you during this time of grief'...2Cor. 1:3,4.

We can receive much comfort from God because of the resurrection hope. Acts 24:15

I am part of Shirley's family as well,

Christian Love,
