“ *Tana helped me with my taxes and we became friends as did April as well. Tana had a great heart and would give the shirt off her back to help anyone. One of the kindest people I know. Tana never complained when life was hard she just pushed harder and stayed positive. I will miss her.*

“ We meet on my family’s venture moving back to VA from TN 14 years ago . 2 years of searching and becoming great friends. We always knew we were there for each other when we needed. She lived her life for her children . I will truly miss her calling or me calling and venting about things only between us. Such a beautiful soul she was and will greatly be missed in my heart

“ She was a cool real estate lady. In WV her relatives fed my motherless father when he was growing up. They all lived on the same dirt road. She came from prime stock of humanity.

“ *What a character our cousin Tana Sue! She was as real a person as you will ever meet! April, I know she left suddenly and you are lost without her but you are so fortunate to have a ton of wonderful memories with her. She was so proud of you and your babies.*

“ When I was 7 my mother (Pat Harrison) and Tana were attending Winchester Cosmetology School. They decided that they were going to take a road trip. They took me & Jonathan to Tampa Florida on a vacation and we got to pick oranges & go to the beach. Both my Mom and Tana got mad at me ! When they took us to the beach ,they brought a big bag popcorn for one of our snacks. I found out the seagulls liked popcorn. I wanted to catch a seagull. I began using the popcorn as bait to lure the birds closer. My Mom & Tana told me to stop ! Because I was making every bird on the beach swoop into our towels. Jonathan was 2 or 3 - he was laughing at all the birds flying around. They were interfering with my bird catching plans . I decided a lot of popcorn would increase my chances of catching a seagull. So I poured a big handful of popcorn out . Both Tana and my mom (pat) we're working on their tan's. I took the big handful of popcorn and threw it on their backs. (Oh my goodness!) You should have seen them jump up & jump around . Birds were diving and swooping all around them ! Trying to eat the flying popcorn. Us kids were laughing at the bird feeding frenzy. I will never forget Tana & Mom jumping and yelling! While the birds were enjoying the popcorn feast. I always remember that vacation and all the laughs we all had . My Mom (Pat) and Tana were great friends and spent a lot of time together. I always remember the laughter that filled the room whenever they were together. I will never forget the great memories I have of my Mom and Tana . May you rest in peace . You will always be missed.

“ *Tana was a great friend & a pleasure to work with at Skyine Team Real Estate Strasburg Office. Loved the way she shared her adventurous life & how she never met a stranger. We shared so many chef salads from Anthony’s Pizza across the street from our office. She so loved her children & family. I surely will miss you Tana. Rest in Peace, my friend. 🙏💜🕊️👤🕊️*
