“ I was just now thinking about Teffi. We would skip school together and hang out at a local house on their property. We would laugh so much, always had such fun. Those moments with her will live forever.

“ *When tomorrow starts without me.
And I'm not here to see.
If the sun should rise and find your.
Eyes filled with tears for me.
I wish you wouldn't cry.
The way you did today.
While thinking of the many things.
We didn't get to say.
I know how much you love me.
As much as I love you.
And each time you think of me.
I know you'll miss me too.
But when tomorrow starts without me.
Please try to understand.
That Jesus came and called my name.
And took me by the hand.
He said my place was ready.
In Heaven far above.
And that I'd have to leave behind.
All those I dearly love.
So when tomorrow starts without me.
Don't think we're far apart.
For every time you think of me.
I'm right here in your heart.*

Teffi, my dear friend I will miss and love you forever.
