“ *It's is with great sadness that I give my condolences to Terry's family. We were classmates in High School and remained friends after too, but unfortunately hadn't been in touch in years. Today, when I learned of Terry's passing..I was overwhelmed with tears and sadness, then as I told my family about Terry and the stories of all the crazy, silly things we did as teenagers, the tears turned to laughter and very fond memories. I am glad to have know him. He will be missed by many. I'm sure our friend Stuart Perry was there to greet his buddy. God Bless ❤️*
