“ I was privileged enough to live in Berryville in the early 70's and to have known Tommy through my best friends sister and his brother Ronald through school. As I remember, Tommy was very easy to be around, always very nice even to us younger squirts and very funny in a laid back manner. Great musician whose band played at my going away party. When I hear "Smoke on the Water" that memory always returns. I am so sorry to hear of this terrible loss to his family. Tommy will be remembered fondly by many. Rest in peace.

“ Tommy you will always be my brother. As I sit here trying to come up with the right words to say, for once in my life I am speechless. I will always remember the times we had with the T & M Express. We didn't make much money, both oh the fun we had. Fly Free-Bird fly. I love you Brother.
