“ I am sorry for the loss of this good man. My prayers are with the family. He will live on in your hearts and memories.
I remember living in Pineville near the Brumbacks so many years ago. He was a good man & father. I'm a friend of all of them, especially his daughter, Jeanne. On and off in the past years I have seen them. I regret not keeping better in touch with them. I loved visiting when I was younger. There were good times there.
