“ I learned so much from Bambam at Barrett Machine. I will miss talking about politics with him and hearing Rush Limbaugh on his radio each day. He loved to joke around and have staring contests. At one point I was stationed in his hometown and we shared the same birthday too. I often prayed for his healing and I will continue to pray for his family's loss. He will be missed.

“ I worked briefly with Bambam, but enjoyed many evenings kicking back with him (and all of the other usual suspects) on the Cacapon river. With all the stories, jokes and political commentaries, one thing was clear ~ he was very proud of his family. Lifting you all in prayer as you share your loss, love and memories. Bambam will be dearly missed.
