“ Through the years, Brent and his family were often seen by me when they were shopping on Sunday afternoons. It was evident that Brent was creative and he often helped Jen with school related things. We are praying for his family during this time of loss.

“ Brent was one of the first people I met, working in Winchester. He was eager, knowledgeable, caring. He shared stories of his family, hobbies and goals. He touched me and will always have a special place in my heart. He loved his family so very much. I am proud of the things you accomplished and the love you had for everyone. I will miss the talk and texts and the things you did bringing my stick figure logos to life for me. You had an amazing talent, second to none. You will be forever loved and missed, my friend!
