“ *Wanda lived such an inspirational life that was devoted to serving and improving the lives of others. We will miss her and are so thankful that we had the chance to know her. She was always so excited to build fires for cookouts, share from her garden, lend out her kayaks, and bird watch with us as we visited the River. She had such a kind heart. We are praying for our PopPop and all of her family. We pray for the peace and hope of our Lord and Savior to comfort them through this very difficult time.*

All of our love,

Michael, Tracy, Taylor, Madison, and Hudson Rock

I wish I had known last year - I really enjoyed getting some time together when our Midlothian class had our reunion. I'm so sad now to learn about this loss. Sending healing thoughts to Charles Rock even though it was a year ago.

“ *We knew Wanda and Don several years ago when they attended Fellowship Bible Church in Winchester. Some of our fondest memories of them were when we all were in the same community group. Marilyn, under Wanda's expertise, proudly displays a beautiful heart shaped basket made at their home. During many times of fellowship we shared the joys and hard times of raising children. We greatly admired their counsel, patience and flexibility, but mostly their overall love of Jesus and others.*

In sympathy and with the love of Christ, Marilyn Heath and Peter Johnson, M.D.
