“ Worked with Junior at E.R. Neff many years ago. He was a master of his 955 loader. I especially recall two weeks when Junior,myself and my brother Donnie(Rocky) Amick were sent to Woodstock, VA. to clean up some river frontage for a property owner. Lets just say it was a grueling two weeks but we as a crew got it all taken care of. Junior was a great guy to work with as well as everybody else at E.R. Neff. Sorry to see him pass away as I just learned of his passing from a mutual friend today.
