“ Thank you for being such an amazing grandma. I’ll always remember your beautiful garden, those wonderful meals you made, and your kind, generous spirit. It meant so much whenever you came to visit us in Cleveland—I’ll cherish those memories forever. And thank you for helping me save up money for after graduation (which I immediately spent on a trip—lol!). Your love and support have shaped me in so many ways, and I’m so grateful for everything you’ve done. - Charlie
